Cat Ppalu

Exumas Bahamas

January 5-12, 2018

Trip Price \$1,695 (Cash or Check)
(plus fees, see below)

Cat Ppalu offers sailing cruises in the Bahamas with accommodations for up to 12 passengers. The catamaran design ensures a stable ride on the gin clear waters of the Exuma Cays- a remote and glorious chain of islands in the Central Bahamas. Underwater adventures abound- snorkel and dive the coral reefs among sharks and the blue hole!

We will board the boat on Saturday, January 6th at noon and leave the boat Friday, January 12th at 9AM.

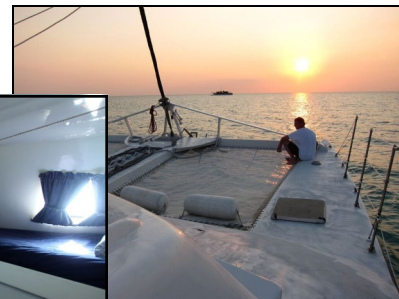

No crowds, no set itineraries, nothing to do but sit back, relax and choose from an incredible variety of activities: sailing, cruising, snorkeling, scuba diving, kayaking, stand-up paddle boards (SUP), wind surfers, bird watching and of course, island exploring. Consider the Cat Ppalu the Caribbean sailboat charter you just have to experience! With an open bar and all beverages, meals, water sports and diving included in the price, it's comparable to an all inclusive resort vacation, only the service is much more personal

Join us for a fantastic adventure. Great way to beat the Nebraska winter!
