 June 27-29

Rock Lake
 October 17-20

Bonne Terre
 March 28-30

Dive Around Nebraska in 2014. Log at least 12 dives in at least three other locations in nearby states (on one of our local trips) and complete at least one specialty course. You will receive a free jacket from Heartland Scuba Center as a reward. The jacket's way cool and can't be purchased—the only way to get one is to earn it.
